III. CONDUCT OF SALE:

The internet auction is being conducted online by a third-party vendor, Grant Street Group, at sdttc.mytaxsale.com. This vendor is solely responsible for conducting the property tax auction on behalf of the County of San Diego (“County”) and the Tax Collector. V. NOTICE TO BIDDERS:

A. Bidder's Duty of Due Diligence

This is a "Buyer Beware" sale. All properties offered for sale and sold at this internet auction are offered and sold on an "**as is**" basis only. Therefore, each bidder shall alone bear the duty of due diligence to investigate the properties offered through this internet auction and investigate all title matters; judgment, nuisance abatement, tax, or other liens; encumbrances; easements; covenants; restrictions; servitudes; boundaries; the existence, condition, and legal status of all improvements and appurtenances; compliance with all applicable zoning ordinances; building and other codes; permit requirements; notices of violation; other recorded notices; bankruptcy proceedings; and all other conditions affecting the property. The County of San Diego and the Tax Collector assume no liability for any liens, encumbrances or easements, recorded or not recorded.

Each bidder shall alone bear the burden to thoroughly research these properties prior to the internet auction as to any and all matters relevant to his or her decision(s) to bid and purchase any of the properties offered in this tax auction. Each bidder bears the burden of determining the actual location of the property and any additional costs associated with ownership of the property.

Whatever right, title and/or interest the last assessee holds, as described in the legal description, is the same and only right, title and/or interest that is conveyed at the time the Tax Deed is recorded.

Some properties being offered at this sale may be a divided or undivided fractional interest in the property; for example, condominiums. The property legal description should be reviewed to determine the property and interest that is to be conveyed by the Tax Deed.

Timeshare Tax Sale Items being offered at auction by the Tax Collector are a deeded interest or 'right to use' a particular unit or unit type within the timeshare association for a specified interval of time on an annual, bi-annual or seasonal basis, as described in the legal description of the timeshare interval. It is the tax-defaulted timeshare interval that is being offered for sale at auction, not the entire building or Timeshare Association.

The property descriptions shown in the internet auction are the County Assessor's brief property descriptions. In some cases, they have been further abbreviated due to space requirements. Full and/or complete property legal descriptions are available ONLY by researching recorded deeds, and other documents, affecting the property.

Each bidder should not attempt to purchase property through the internet auction unless a thorough investigation has been conducted as to its exact location, desirability, and usefulness. The County of San Diego and the Tax Collector make no guarantee or warranty, either expressed or implied, regarding the usability, the ground location, or other amenities for the properties. The Tax Collector cannot guarantee the condition of the property nor assume any responsibility for conformance to codes, permits, or zoning ordinances. DO NOT trespass on the property, engage in any activity, or make any expenditure on a property until the Tax Deed has been recorded, and you have received a copy. **The burden is on the purchaser to thoroughly research, before the sale, any and all matters relevant to his or her decision to purchase the property through the internet property tax auction. The County's sole interest is the recovery of unpaid taxes, penalties, interest, and costs associated with conducting the internet auction as directed or permitted by law.**

The internet auction of these properties shall not be considered equivalent in any way to a sale of real property conducted by licensed real estate agents, brokers, or salespersons. All information concerning

these properties and their location is a courtesy for general reference only, and the County and the Tax Collector makes no warranty whatsoever as to the accuracy or veracity of any County map, County Assessor's Parcel map, other map(s), photograph, property description, legal description, property profile, property maps/images, or other information so provided. Because of frequent changes to property ownership, condition, recorded liens, and other property information the information provided may be out of date and, while every attempt is made to keep the content current, it should not be relied upon for your particular situation until you can independently verify its accuracy.

The properties offered for sale are being updated daily and may be withdrawn from the internet auction at any time by the Tax Collector for reasons that may include, but are not limited to, an assessee who is the debtor in bankruptcy, un-probated estate, and/or an error in advertising or noticing.

USE CAUTION AND INVESTIGATE BEFORE YOU BID!

THIS IS A BUYER BEWARE SALE.

B. Bidder Registration and Deposit Requirements

To purchase a property through the internet auction, you must:

1. Be 18 years of age or older.
2. Be a valid registered bidder and submitted the required deposit.
3. Have sufficient payment in the proper form to complete your purchase(s).

A \$1,000.00 advance bid deposit and a non-refundable \$35.00 bid deposit processing fee is required of each bidder prior to bidding on any property that is part of this internet auction. The deposit payment shall be made via an electronic debit (ACH debit) to Grant Street Group at sdttc.mytaxsale.com starting on Friday, April 19, 2024, at 9:00 a.m. Pacific Time. Refund of the bid deposit shall be made to unsuccessful bidders within ten (10) business days after the close of the internet tax auction. Grant Street Group shall transfer the deposit of the successful bidders (i.e., the highest bidder of each property auction) to the County of San Diego where the deposit shall be credited toward their purchases, subject to meeting the Settlement Requirements described in the next section.

C. Settlement Requirements

The properties offered at this tax auction shall be sold to the highest bidder. The highest bidder for each property shall pay in full within five (5) business days from the close of the auction. In addition, a documentary transfer tax of \$.55 shall be added for each \$500.00, or fractional portion thereof, of the final sales price. The final amount due will be provided upon acceptance of the winning bid.

For nonresidential commercial property, if the highest bidder does not make final payment to consummate the sale, the Tax Collector may award the property to the next highest bidder at their bid price. For all other property, if the highest bidder does not make final payment to consummate the sale, the property will be sold at a subsequent auction. Where that subsequent auction occurs more than one year after the date of the previous auction and the highest bidder does not make final payment to consummate that subsequent sale, the Tax Collector may award the property to the next highest bidder at their bid price. California Revenue and Taxation Code Section 3693.

The following forms of payment will only be accepted:

San Diego, CA 92101

Please note: Payment by personal checks, business checks, traveler's check, or credit/debit cards will not be accepted as final payment. In the event the highest bidder on a property fails to comply with these Settlement Requirements, then that bidder's deposit shall be forfeited to the County of San Diego.

Winning bidders who do not submit timely payment on any internet auction item won will forfeit their deposit to the County of San Diego and may be banned from future auctions.

ALL SALES ARE FINAL, even if the successful bidder makes a mistake and bids on the wrong property. Failure to complete a purchase constitutes a breach of contract and may result in legal action against the purchaser.

D. No Auction Sale Refunds

There shall be no refund of a purchase price, or any portion thereof, and no refund of the payment of the documentary transfer tax paid for a property sold through this tax sale due to a bidder's or purchaser's error, remorse, or failure to exercise due diligence.

However, occasionally a property is sold at auction after redemption (payment in full) has been made or is sold in error. In this case, a full refund of the purchase price and documentary transfer tax will be paid to the purchaser within a reasonable time after the property tax auction, and the County of San Diego and its Tax Collector shall have no further liability arising from the transaction. The bidder or purchaser's acceptance of this refund shall be deemed an accord and satisfaction and constitute a full and complete waiver and release of all claims arising from the transaction.

If the validity of the Tax Collector's Tax Deed is challenged by judicial proceeding, the action must be commenced within one year by the former owner or his/her party of interest, after the recording date of the Tax Collector's Tax Deed. This judicial proceeding can refer to an alleged invalidity or irregularity in the procedures of sale. If litigation by a former owner is successful and a court holds a Tax Deed void, the Court shall determine the correct amount of taxes, penalties and costs that should be paid, and the Court shall order the former owner or other party of interest to pay such amounts within six months. If such amounts are not paid in accordance with such order, the Court will not hold the Tax Deed void. When a court holds a Tax Deed void, the purchaser is entitled to a refund from the County of the amount paid in purchase price for tax penalties and costs. A Claim for Refund shall be presented within one year after the judgment becomes final.

E. Conveyance of Title; Limitations Regarding Encumbrances

Title to the property does not pass to the purchaser until a Tax Deed is recorded. DO NOT trespass on the property, engage in any activity, or make any expenditure on a property until the Tax Deed has been recorded, and you have received a copy. The Tax Collector expects to record the Tax Deeds within four to six weeks of the auction. After the Tax Deed is recorded, the Tax Deed will be mailed directly to the respective purchaser by the Office of the Clerk-Recorder, and a duplicate copy may be purchased at the Office of the Clerk-Recorder.

The Tax Collector does not provide purchasers with a title insurance policy. Purchasers must research title insurance options on their own. The County makes no guarantees or representations on the ability to re-sell a property or the condition of the title. If prospective purchasers are considering selling the property at some point, we highly recommend that they contact a title insurance company prior to the auction to obtain information regarding the availability of the title insurance for properties to be purchased at the auction.

NOTE: Neither the State of California, nor the County of San Diego, nor their elected and appointed officials, officers, employees, and agents, are liable for loss or damages of any kind sustained by the

property purchased at the internet auction from the time of the sale until the recordation of the Tax Deed transferring the property to the purchaser.

California Revenue and Taxation Code § 3712 sets forth the scope and extent of title conveyed by the Tax Deed as a result of a tax sale.
